

Disney Parade Practice 2010!

Dear Students and Parents:

Please discuss the following information and keep it posted in a conspicuous place.

Each student marching in the *Main Street Parade* at Disneyland is required to attend 4 of the 6 possible rehearsals listed below. This is important to insure that the performance is at a high level of quality. Every effort has been made to offer days and times that can work for all students:

Students who have not marched with the *Analy Band* must attend the *March 25th* tutorial session as one of their 4 practices, and ALL STUDENTS must plan on 4/13 as one of their rehearsals.

Thursday	March 25	Tutorial (see note above)
Tuesday	March 30	Tutorial
Wednesday	March 31	After school
Thursday	April 1	Tutorial
Monday	April 12	After School
Tuesday	April 13	After School – Mandatory for all students going!!!

The tutorial practices will last for the entire time of tutorial, and the after school practices will be from 10 minutes after school has ended and will last 45 minø (the beginning and ending times will vary depending upon the day of the week).

Roll will be taken **at the beginning and at the end** of each session. A complete itinerary for the trip will be sent home with your student soon.

Thank you!

Vance Regan
