

ANALY HIGH SCHOOL BOOSTER CLUB

Business Partnership Membership Form 2009/2010

Analy Boosters are parents, businesses, and community minded individuals who volunteer to raise and donate funds to enhance Analy High School programs. Last year, through the Analy Booster Club's family membership, business membership, concession stand, golf tournament, apparel (Spirit Wear) program, and pancake breakfast, we raised over \$50,000.00! These funds were distributed to a variety of **academic and athletic** programs per teacher/staff mini-grant requests. With California State budget in crisis, this year, our goal is to raise even more!

You can help by becoming a **Booster Business Partner Member!** Invest in your community and promote your business at the same time by supporting the Analy High School Booster Club. Your business will be promoted to the over 1200 families that make up the Analy parent community! Parents in our community are paying attention to and patronizing those businesses that support our schools.

This program is a win-win for your business and our schools. As part of our community, you know the difference that good schools make: higher property values, safe neighborhoods, and thriving local businesses. In our community, our children's education is important to everyone.

Your benefits? Parents patronizing your business and recognition in our publications, on concession banners, and on our website.
