

**Analy Commuter Form
Car Pool Interest**

Form and Spreadsheet/PDF Meanings

| Spreadsheet Column Heading | Form Question |
|--|---|
| ID (not on original survey) | (A unique number, not user entered) |
| Date | Date form submitted. Not on original form. |
| Name | Name put on form |
| Parent Student | Analy parent or student? |
| Email | E-mail address(s) |
| Phone | Phone number(s) |
| The next set of columns are the same, applied for each direction of carpooling | Going TO Analy in AM is in yellow Going FROM Analy in PM is in blue |
| Need Seats | The number listed for each day is the number of seats this commuter NEEDS on that day. An empty cell means no seats are needed on that day. |
| Offer Seats | The number listed for each day is the number of seats this commuter CAN OFFER on that day. An empty cell means no seats are available that day (or cannot drive). |
| Pickup near | Approximate location for pickup in the AM and dropoff in the PM (address is optional). |
| City | City or area departing from and back to? |
| Time | Time to arrive at Analy in AM and depart in PM. |
| Preferences | Write preferences/additional info here |
