on	on	when school starts	Santa Rosa 4212 Miles Avenue off hwy 12	on	on	on	on	endofschool		I will be willing to pay to have my daughter Amber(9th grade) given a ride home everyday. If I can get her a ride home everyday, I can exchange for taking kids to Analy in the morning. I work in Richmond at the Chevron Refinery, it's impossible for me to get back into area. If I can get her a ride to school everyday I will pay for that as well, then I can pick her up after school. Any help is very much appreciated.	Feb 27th, 9:00 AM
