HATE-MOTIVATED BEHAVIOR

The Governing Board affirms the right of every student to be protected from hate-motivated behavior. It is the intent of the Board to promote harmonious relationships that enable students to gain a true understanding of the civil rights and social responsibilities of people in our society. Behavior, statements or symbols that degrade an individual on the basis of his/her race, ethnicity, culture, heritage, gender, sexual orientation, physical/mental attributes, religious beliefs or practices shall not be tolerated.

The Superintendent or designee shall provide inservice training which helps staff to identify gangs/organization and gang/organization symbols, recognize early manifestations of disruptive activities, and respond appropriately to this inappropriate behavior. Staff shall be informed about intervention measures and community resources which are appropriate to issues on campus.

The Governing Board believes that one of the major functions of the public schools is the preparation of youth for responsible citizenship. The District shall foster a learning environment which reinforces the concepts of self-discipline and the acceptance of personal responsibility. Students are expected to progress from being adult-directed to self-directed with minimal application of disciplinary measures.

In order to maintain an environment conducive to attaining the highest quality of education in the District there must exist certain disciplinary policies and regulations relating to student conduct which delineate acceptable behavior and provide the basis for sound disciplinary practices within each school in the district. These policies and regulations will be enforced fairly, uniformly, and consistently without regard to race, creed, color or sex.
