Advanced Placement (AP) Information Night Thursday, February 23, 2017

Analy High School will host an informational night for all students and their parents to better understand the requirements and commitments of each individual AP course. Each 15 minute presentation will provide instructors an opportunity to clearly state the course expectations in order for students and parents to determine if they are prepared to make the course commitment before registering for 2017-2018 classes.

It is an expectation that the student and parent/guardian attend each session that they plan on enrolling in.

The following is a list of times and locations for each subject presentation. It is important to arrive on time as each session will begin promptly at the scheduled start time.

5:30 p.m.	Language & Composition (Rhetoric) Calculus Computer Science	Library (11 th /12 th Grade) Room 1 (12 th Grade) Room 110 (10 th /11 th /12 th Grade)
