School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Analy High School is located on the beautiful Laguna de Santa Rosa midway between the busy 101 Highway corridor and the wild woods and beaches of the Sonoma Coast. Analy is located just off the small, busy highway that cuts through the town of Sebastopol; a city of 8000 people surrounded by small farms, open space and dairy land. The town's rural tradition is giving way to a more professional population, and many Analy parents commute to work. While the community is affluent and well educated, the population is 80% white and over 70% have a college degree, about 20.1% of Analy students are eligible for Free Lunch. Many Analy graduates stay in the community as business people who, in turn, contribute to the school. A growing population of Latino families contribute to the increasing diversity of the Analy campus. The community is fairly progressive; Analy's drama department was one of the first high schools in the state to produce The Laramie Project. Analy is well supported by the community, parents, and business. We have an active Booster Club and Educational Foundation as well as groups serving specific needs, such as the Band Wagon. Analy is the geographic and symbolic heart and soul of Sebastopol. Analy is part of the West Sonoma County Union High School District (WSCUHSD), which is comprised of two comprehensive high schools, Analy and El Molino. Analy has three feeder elementary school districts, each with its own programs and population. Studies have been conducted by the community to consider the possibility of consolidating some districts, or at least using the same calendar in order to maximize student attendance. Analy has a unique situation. 81% of students' parents have some college, with 21% reporting their parents have a master's degree. Our students are high performing, with 60% proficient or above on the API, well above the state average, and in line with other schools of our type. The new CAASPP test replaced STAR testing in Spring 2014 implementing a "testing the test" format. Data will become baseline for future growth. During our previous WASC process, Analy received a 6 year accreditation with a 3 year follow up visit which took place in March of 2015.. Our Focus on Learning report was tremendously useful to us as a school, helping us design a vision for change and improvement. Analy High School is over 100 years old and rich in a tradition of academic excellence; we are proud of our students and they treat the school staff with respect. Our ESLR's – Cooperation, Thinking and Problem Solving, Communication, Technology, Career Preparation, and Diversity and Social Personal Responsibility, are born out of a desire to make a whole student and a lifelong learner.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Based on the Facility Inspection Tool, developed by the State of California Office of Public School Construction, the school facility is in "exemplary" condition.

Although the school site was rated exemplary, efforts of our school district community, a bond was successfully passed in November of 2010 to modernize the West Sonoma Union High School District campuses.

Projects to modernize the Analy High School campus from June 2015 to June 2016 were:

- New band classroom
- Modernization of stadium to synthetic turf, all weather track, new home bleachers and press box

In addition the Director of Maintenance & Operations is developing a short and long term deferred maintenance program to take care of routine maintenance needs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts/Literacy	77	81	73	73	44	48
Mathematics	51	56	46	44	34	36

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2015-16)

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	326	308	94.5	81.2
Male	11	167	157	94.0	77.1
Female	11	159	151	95.0	85.4
Asian	11	11	11	100.0	90.9

Socioeconomically Disadvantaged	11	58	54	93.1	64.8
Students with Disabilities	11	27	25	92.6	32.0

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2015-16)**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded

Socioeconomically Disadvantaged	11	58	53	91.4	37.7
Students with Disabilities	11	27	25	92.6	16.0

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Socioeconomically Disadvantaged	59	56	94.9	60.7
Students with Disabilities	30	28	93.3	32.1

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The “Proficient or Advanced” is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Career Technical Education Programs (School Year 2015-16)

In addition to providing a challenging academic program, Analy High School also offers a strong vocational program. Through the creation of a 7 period day, we have been able to offer our students the rigors of UC requirements and a practical connection between the educational experience and essential requirements of the “work world”. During the 2015-2016 school year, students entered Career Technical classes such as: Auto Shop, Video, Advanced Ag, Advanced Foods, Graphic Arts and Computer Programming. These classes allow students to enrich their academic skills by also providing them the practical connection to the everyday work world and the skills they will need to be successful after graduation.

Career Technical Education Participation (School Year 2015-16)

Measure	CTE Program Participation
Number of pupils participating in CTE	779
% of pupils completing a CTE program and earning a high school diploma	12.4%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	86.6%

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2015-16 Pupils Enrolled in Courses Required for UC/CSU Admission	97.89
2014-15 Graduates Who Completed All Courses Required for UC/CSU Admission	52.2

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2015-16)

School Safety Plan (School Year 2016-17)

Spring 2012 was the last update of Compliance School Safety Plan, it will be updated again the Fall of 2016. A committee of administrators, teachers, parents, classified staff and students developed this plan and the plan is reviewed every year by the police and our Site Council.

- Our administration works hard to protect the safety of students on campus. We have sustained Sebastopol Police Department, the station is nearby and they are quick to respond to our needs.
- Our staff has received District provided training on how to identify students that may be "under the influence". Additionally, AHS provides a Drug/Alcohol counselor on staff

Analy is a safe campus. Gang related activity is minimal to non – existent and the administration diligently works to keep trouble off of our campus; however the Analy campus is quite spread out, so not all corners can be watched. Teachers have a rotating schedule of supervision duty.

The school has taken several steps to make the campus more secure. These steps include: Utilization of security badges for faculty and staff, check in procedures for campus visitors, developing and practicing emergency procedures for “intruder on campus” (in coordination w/ the local police department) drills, fire drills, earthquake drills, and shelter in place drills. Our campus also maintains multiple security cameras.

Professional Development (Most Recent Three Years)

The district provided two Staff Development days that did not include student participation. Additionally, our site offers two (2) Common Planning Time (CPT) days per week which allow individual departments to meet to develop curriculum, plan common lessons and assessments, and collaborate interdepartmentally. Our certificated staff is encouraged to attend conferences and various programs that are offered for which funding is made available through the Educator Effectiveness Grant.
