

ANALY HIGH SCHOOL EDUCATION FOUNDATION

Your Donations Make It Happen...

In ten years, we've raised over \$700,000, allowing the funding of such things as:

- Project Make
- After-school library hours
- *Tiger Times* School Newspaper
- Speech and Debate Teams
- And many others!

...and we need your help now more than ever!

The Analy High School Education Foundation, a 100% volunteer organization, is proudly celebrating its eleventh year! Through fund raising and community partnership events including our annual "Phonathon" and Auction, we receive generous donations from parents, alumni, the local business community, and other foundations to ensure that Analy remains a leader in education.

We are committed to providing needed funding for your student's classrooms and programs, such as Art programs and field trips, Music, Drama, Speech and Debate scholarships, Science, Math and Computer supplies, Physical Education upgrades, Yearbook, Maker Class, and much more! Our funds are distributed to a wide variety of programs per student and teacher requests.

Our mission is to enhance the educational experience of all students by raising funds and engaging the community in support of public education. We are dedicated to making a difference in the future of our school, our students, and the vitality of our community.

I wish to **support** Analy High School and the opportunities we offer by gifting \$_____ to the Analy High School Education Foundation! (Bring your check to Registration!!!!)
