October, 2018

Dear Friends and Supporters of Analy High School:

The 2018-2019 school year welcomed several new staff members as many veteran teachers began enjoying their retirement at the end of last year. The Class of 2022 began their journey as Tigers and the halls of Analy High School, once again echoed with exuberance and excitement.

Additional sections were approved in our Math and World Language departments in support of smaller class sizes for our students and a more focused educational environment. Our Sebastopol community let their voices be heard in passing a bond measure earmarked to modernize and improve facilities throughout the West Sonoma County Union High School District; an approval which will directly benefit students, staff, and families throughout the District.

Though the positives far outway the negatives, we must also face the fact that our District will need to trim another \$200,000.00 from the budget in the 2019-2020 school year. As of this letter, we do not know specifics nor how this will affect Analy High School as a site but, we do know some cuts will need to be site based.

The District budget shortfall is in direct correlation to state budget cuts and declining student enrollment in our area. Though student enrollment has declined in the past few years due to the inability of young families to purchase homes and raise their families in West County, our inter-district transfer enrollments have increased as families throughout Sonoma County seek the standard of excellence Analy High School maintains.

As part of the Tiger family, you can assist in offsetting some of the potential cuts. The Analy High School Education Foundation is hosting its' Annual Pledge Drive. **You** can make a difference by supporting this **vital** Pledge Drive benefiting Analy High School programs. Your past support of the Analy High School Education Foundation has most recently saved: sections of the Video Arts Program; provided Chromebook carts; provided Safe School Ambassador Training for students and staff; and provided online tools used in the English Department. Without your support, we may have no other choice than to consider cuts across the board.

Funding a section is approximately \$20,000.00 and that's why we are urging each of you to contribute what you can to the AHSEF Annual Pledge Drive. It is our hope that each family, alumni, and Analy High School supporter reading this letter will contribute as much as they are able to the Annual Pledge Drive. We understand that for some, a large contribution may not be possible and request that you contribute whatever you can in an effort to save programs and sections.

All donations are tax deductible and may be made by check payable to: Analy High School Education Foundation (AHSEF) and mailed to 6950 Analy Ave., Sebastopol, CA 95472 or by credit card. To pay by card, please visit the Analy High School Education Foundation website at [www.analyedfoundation.org](http://www.analyedfoundation.org) and click the "**DONATE**" button.

Your continuous, unwavering, support for Analy High School is deeply appreciated by staff and students alike. We strive to continue our pursuit of academic excellence and thank you for your consideration in support of this vital fundraiser. We are proud to be part of the Analy High School family!

Sincerely,  
Raul Guerrero  
Principal
