## ***Senior Graduation and Event Information***

### ***A Message from Principal Guerrero***

Congratulations Class of 2019 and parents! Together, you have successfully completed four years of high school and are prepared to embark on new and exciting adventures! Some students have chosen higher education while some are anxious to pursue a future in their career goals. The staff of Analy High School is proud to have been a part of your achievements!

As we approach the end of your senior year, a few reminders. It is important that you continue to arrive to school on time, attend all of your classes, and make good choices that will not hinder your ability to graduate. Colleges and Universities consider the eighth semester and will reverse admission decisions if grades change. You do not want to let “senioritis” be a fatal disease. Seniors can also lose credit due to 8 or more unexcused absences and in turn, fail to earn their diploma. Discipline and attendance issues can result in school probation. If you are placed on school probation, you may lose your ability to participate in senior activities and the commencement ceremony.

The following information outlines important dates, events, and information for graduating seniors and their families. We encourage you to review all information thoroughly. If you have questions regarding this information, please contact Sandra Jones, Vice Principals’ Secretary, at 707.824.2319.

You have worked hard and have almost reached the finish line! The staff of Analy High School is proud of you individually and as a class. We encourage you to remain productive and positive but most of all, enjoy the remainder of your senior year!

We look forward to celebrating your accomplishments at the 2019 Commencement Ceremony, Thursday, June 6, 2019 at 5:30 p.m. on Karlson Field (admission by ticket only).

Congratulations Tigers!

Raul Guerrero  
Principal
