Level 2 - July 29th - August 2

9:00 am to 3:00 pm
Camp is FREE and limited to 70 spaces.
Santa Rosa and Petaluma SRJC Campuses

Students 9th through 12th grade students are invited to an intro and an advanced camp to learn about cyber security training. Training modules include cyber hygiene, ethics, systems administration, security audits, and network forensics.

Register here:

<https://petaluma.santarosa.edu/summer-cyber-camps>

Environmental Resource Management Summer Program for HS students

June 17th - July 23rd
Monday through Wednesday
9:00 am to 3:00 pm
FREE!
Deadline: Friday, April 5th

A fun and immersive opportunity to learn about careers in environmental resource management and engage in projects to restore local natural habitats. Participants will earn 3.0 college credits and see first-hand how human interactions can have a positive regenerative relationship with the natural world.

Apply online at: <http://ctesonomacounty.org/ermsa/>

Sonoma State University Summer High School Internship Program

Application Deadline: Monday, April 8th

This summer, fifteen high school juniors from Sonoma County will be selected to spend 4 full-time weeks (or equivalent) this summer working with faculty at Sonoma State University. They will participate in [research projects](#) in a variety of fields (Astronomy, Biology, Chemistry, Computer Science, Engineering, Nursing, & Physics) and receive stipends of \$1000 each, provided by the Sonoma County Office of Education.

Appropriate candidates are not only excellent students, but they have a passion for science, technology, engineering, or mathematics. Student interns will be selected based on their intellectual curiosity, initiative, depth of commitment to science and the internship experience, potential for success in the sciences, and overall academic performance.

For more information and to apply click here:

<http://web.sonoma.edu/scitech/hs/>

California Latino Capital Association Foundation

Internship Dates: June 24th - August 2nd, 2019
Application Deadline: Friday, April 5th, 2019 by 5:00 PM

The CLCAF Summer Internship Program strives to provide high school students a chance to gain a meaningful professional experience in public service. CLCAF interns are trained, mentored, and supported by experienced Capitol staff. Program participants are also given professional and academic development workshops along with educational field trips near the Capitol.

At the conclusion of the internship, students will receive a scholarship and CLCAF will host a reception ceremony for the students and their family to recognize their work and contributions. For more information click here: <https://www.clcafoundation.org/copy-of-about-us>.

Sonoma State EXCEL High School Teaching Assistant Program

Are you a motivated and accomplished high school student entering grades 11-12?

Do you:

- Like working with children?
- Need credit towards community service hours?
- Want to build a resume for college?

The Excel High School Teaching Assistant Program needs high school volunteers to work as assistants to our faculty.

Apply here: <http://web.sonoma.edu/exed/excel/high-school-assistant-information>

Pepperwood Preserve TeenNat Program

5 Weeks; July 9-11, 16-18, 23-25, 30, 31, August 1, 6-8
9:00am – 3:00pm

This free internship provides an opportunity for a team of 13-18 year olds to participate in science and art while exploring a 3,200 acre nature preserve. Participants will ask questions and gather biological data using digital cameras and GPS units. Photos will be displayed in our gallery and uploaded to iNaturalist.org. During this five week summer program participants will gain knowledge, learn technical skills, be active in the outdoors, and contribute to real research.

Apply here:

<https://www.pepperwoodpreserve.org/applyforteenat/>

City of Santa Rosa Summer Work Experience Program for Teens

Teens age 13-17 can learn valuable on-the-job skills through our Work Experience Program. Teens can choose from various interests including working with the public, children, animals, swimming, coaching and more. Work Experience volunteer hours can satisfy community service graduation requirements for all of the local schools. All applicants must be 13 years of age by June 10th, no exceptions.

Application here:

<https://srcity.org/DocumentCenter/View/14230/Work-Experience-Application>

SRJC Summer Health Care Institute

This program offers hands-on education, an introduction to a healthcare network of professionals, and opportunities for individual students to authentically consider a healthcare career pathway.

For more information visit:

<https://healthcareers.santarosa.edu/summer-health-careers-institute-shci>

New! SRJC For Free

SRJC for Free is the college's initiative to help Sonoma County residents pursue their community college degree, tuition-free.

Santa Rosa Junior College believes that all students are entitled to higher education and is dedicated to providing students the opportunity to achieve their educational goals.

To qualify, students must complete a FAFSA or Dream Act application.

SRJC for Free Checklist

- First-time college students - regardless of financial need
- California residents or AB 540
- Enrolled in 12 units for the Fall 2019 term
- Currently not receiving the California College Promise Grant
- Complete a Free Application for Federal Student Aid (FAFSA) or California Dream Act Application (CADAA)
- Other restrictions may apply For more information, go to:
<https://srjcfree.santarosa.edu/>

SRJC Extended Opportunities Program

Extended Opportunity Programs & Services (EOPS) is a program that helps full-time, low income, educationally disadvantaged students (e.g., first generation college students, those without a high school diploma or GED, foster youth, ESL students, or those who test at low English or math levels) achieve their academic goals at Santa Rosa Junior College. The program is designed to make the college experience accessible and rewarding to those facing English language, social, or economic challenges. EOPS strives to be responsive to the needs of the students in our program, and to create a campus-wide environment that is supportive of cultural diversity.

For more information and to apply visit:

<https://eops.santarosa.edu/>
