

March 7, 2019

Dear Students and Parents,

Analy Leadership would like to cordially invite you to *Night at the Museum*, Analy High School's 2019 Prom on Saturday, April 13th at the California Academy of Sciences from 7:30pm-11pm.

Upon your arrival at the Academy of Sciences, you will go through security and then be checked in. Please be sure to have your ID and receipt for ticket purchase. After being checked in, please feel free to drop your items off at coat check, run by Analy Leadership.

This year be sure to capture your prom memories in the photoboos and stop to have your formal photo taken by Sheila Johnson from Studio J Photography. Please enjoy the sweet and savory crepes offered and make your own tacos with your choice of carne asada, sofritas (tofu), and chicken (see the menu items below). You may enjoy your food all night long, but be sure to keep the venue clean as we are their guests for the evening.

This year we have decided to pay for a portion of the charter buses to keep the cost at \$25.00. Please consider taking advantage of this fun, safe and affordable way to travel to prom. If you wish to take any other means of transportation you MUST fill out the transportation waiver and return it completed when purchasing your tickets.

YOU MUST PURCHASE A BUS TICKET OR PROVIDE A COMPLETED TRANSPORTATION WAIVER TO BUY A PROM TICKET. NO EXCEPTIONS!

If you plan to take an Analy freshman or sophomore as your date, make sure they also complete this packet and fill out the required underclassmen guest form.

If you are bringing a date who is not an Analy student, please fill out the guest form available on the Analy Website, Activities page.

At time of purchase, **you must present your current Analy ID card** and all applicable paperwork. You and your date will need both of your ids as well as your receipt to get in to prom. Tickets must be purchased at the ASB office AT LUNCH ONLY.

Tickets are also available for purchase using a credit card at Myschoolbucks.com. You MUST bring your receipt, student ID and all applicable paperwork to the ASB Office within 2 school days of purchase to validate your ticket.

Some funding for scholarships is available. See Brigitte in the ASB Office for information.

Charter buses will begin to board in front of Analy at 5:30PM and will depart at 6:00PM for all who have pre-purchased a bus ticket. If you are taking an alternative form of transportation to the city and have submitted the waiver, Academy of Sciences will open their doors at 7:30pm. Please be aware that there is an additional bridge fee as well as parking fee at the venue and that on a Saturday night it can often take longer to get into the city due to traffic; plan accordingly.

Ladies must wear a formal dress (remember to keep it school appropriate). Consider bringing a spare pair of flip flops or slippers in case you change your shoes as you cannot be barefoot in this facility. Gentlemen must wear a tuxedo, or a suit with a jacket and tie. Men's Wearhouse of Santa Rosa is offering \$5 to Analy's Junior Class for every tuxedo that is rented through their store; let them know you are with Analy!

If there are any other questions or concerns that you may have, please do not hesitate to contact Mrs. Hoff at bhoff.ahs@wscuhd.k12.ca.us.

We hope you enjoy your 2019 Prom!

Sincerely,
Bethany Hoff, Activities Director
